FREEDOM 90

It is often easier for us to think in terms of money, but we are called to leave a legacy to our children that transcends money. If we teach them personal responsibility and deposit into them God's truth, they will be savers and not spenders understanding that we are blessed to teach, coach, mentor and support our fellowman; spiritually, emotionally, physically and financially. If we use our resources unwisely (pound foolish) it is the legacy that we bequeath to younger generations.
